

***The Guilford County/High Point/Greensboro
Task Force on Ending Homelessness***

Vision: To improve the quality of life for all residents of Guilford County by ending chronic homelessness and reducing all types of homelessness by 2016.

“Five years ago the notion of cities having 10-year plans to end homelessness was naïve and risky. No one thought it was possible. But the new research and new technologies have created such movement and innovation on this issue that it may now be naïve and risky not to have such a plan.”
Philip Mangano, Executive Director, U.S. Interagency Council on Homelessness
